There will be a small additional charge for electricity which is unknown at this time. Please note on your registration as outlets are at a minimum. If you are unable to attend both days, but would like to come for one, please call and we will do our best to accommodate you. The price will be \$30.00 for one day. If you can fill your space for the whole weekend by sharing with another exhibitor you can split the rate, but we **MUST** have registrations, including pictures, from each crafter before you will be accepted into the show.

If you have any questions or concerns about our Arts & Crafts Fair, please feel free to call. We look forward to seeing you this summer and having a great weekend!
